STATE BOARD OF EDUCATION POSTPONES WED., DEC. 9, WORK SESSION

The State Board of Education has postponed its Wed., Dec. 9, work session because of a winter storm and blizzard-like weather conditions. The work session and regular meeting have been rescheduled for Thurs., Dec. 10.

The State Board of Education has rescheduled the work session for 9 a.m. and the regular meeting for 11 a.m. on Thursday at the State Office Building, 6th Floor, 301 Centennial Mall South, Lincoln.

The work session and meeting will be broadcast on NEBSAT Network 2, Channel 105, and may be viewed at many county extension offices and school district offices across the state. However, because of scheduling conflicts, some offices may not make the broadcast available. Those interested in viewing the work session or meeting should call their local site in advance to confirm that the broadcast will be available.

A revised meeting agenda is available at www.nde.state.ne.us.
